

GENERAL TERMS & CONDITIONS – LazDev

1. Definitions

LazDev: the freelancer providing software development services.

Client: the individual or business purchasing services.

2. Scope of Services

LazDev provides software development services including web, mobile, and backend development as agreed in the quotation.

3. Offers & Agreements

- All offers (quotations) are non-binding until accepted by the client.
- An agreement is formed when the client approves the quotation.

4. Payment Terms

- 50% upfront before work begins
- 50% after delivery
- Payment term: 14 days unless stated otherwise
- Late payments may result in additional fees or suspension of work

5. Delivery & Timeline

- Timelines are estimates unless explicitly agreed
- Delays caused by client (feedback, materials) extend deadlines

6. Revisions

- Includes reasonable revisions as agreed
- Additional changes outside scope may be billed separately

7. Client Responsibilities

Client must:

- Provide clear requirements
- Deliver content/materials on time

- Communicate feedback promptly

8. Intellectual Property

- Full ownership transfers after final payment
- LazDev may showcase work in portfolio

9. Liability

- LazDev is not liable for indirect damages (loss of profit, data, etc.)
- Liability is limited to the value of the project

10. Termination

- Either party may terminate in writing
- Work completed must be paid

11. Confidentiality

Both parties agree to keep sensitive information confidential.

12. Applicable Law

- Dutch law applies
- Disputes handled in the Netherlands
